Hamilton

"The worlds we enter are messier and more complicated than we can ever tell from up here, but they are also full of possibilities. So, as we now plunge into our adult lives, it is not only death and taxes, nor spreadsheets and bureaucracy, that lie before us, for we have all the skills not just to reproduce these worlds but to make new ones worlds that are richer, more diverse, and more inclusive."

In Thanks

To Lisa Magnarelli, Theresa Gallagher, and all the Student Activities staff.

To the wonderfully helpful staff of Communications and Development.

To Jim Taylor and the staff of the athletic department.

To Bob Carper and Jostens.

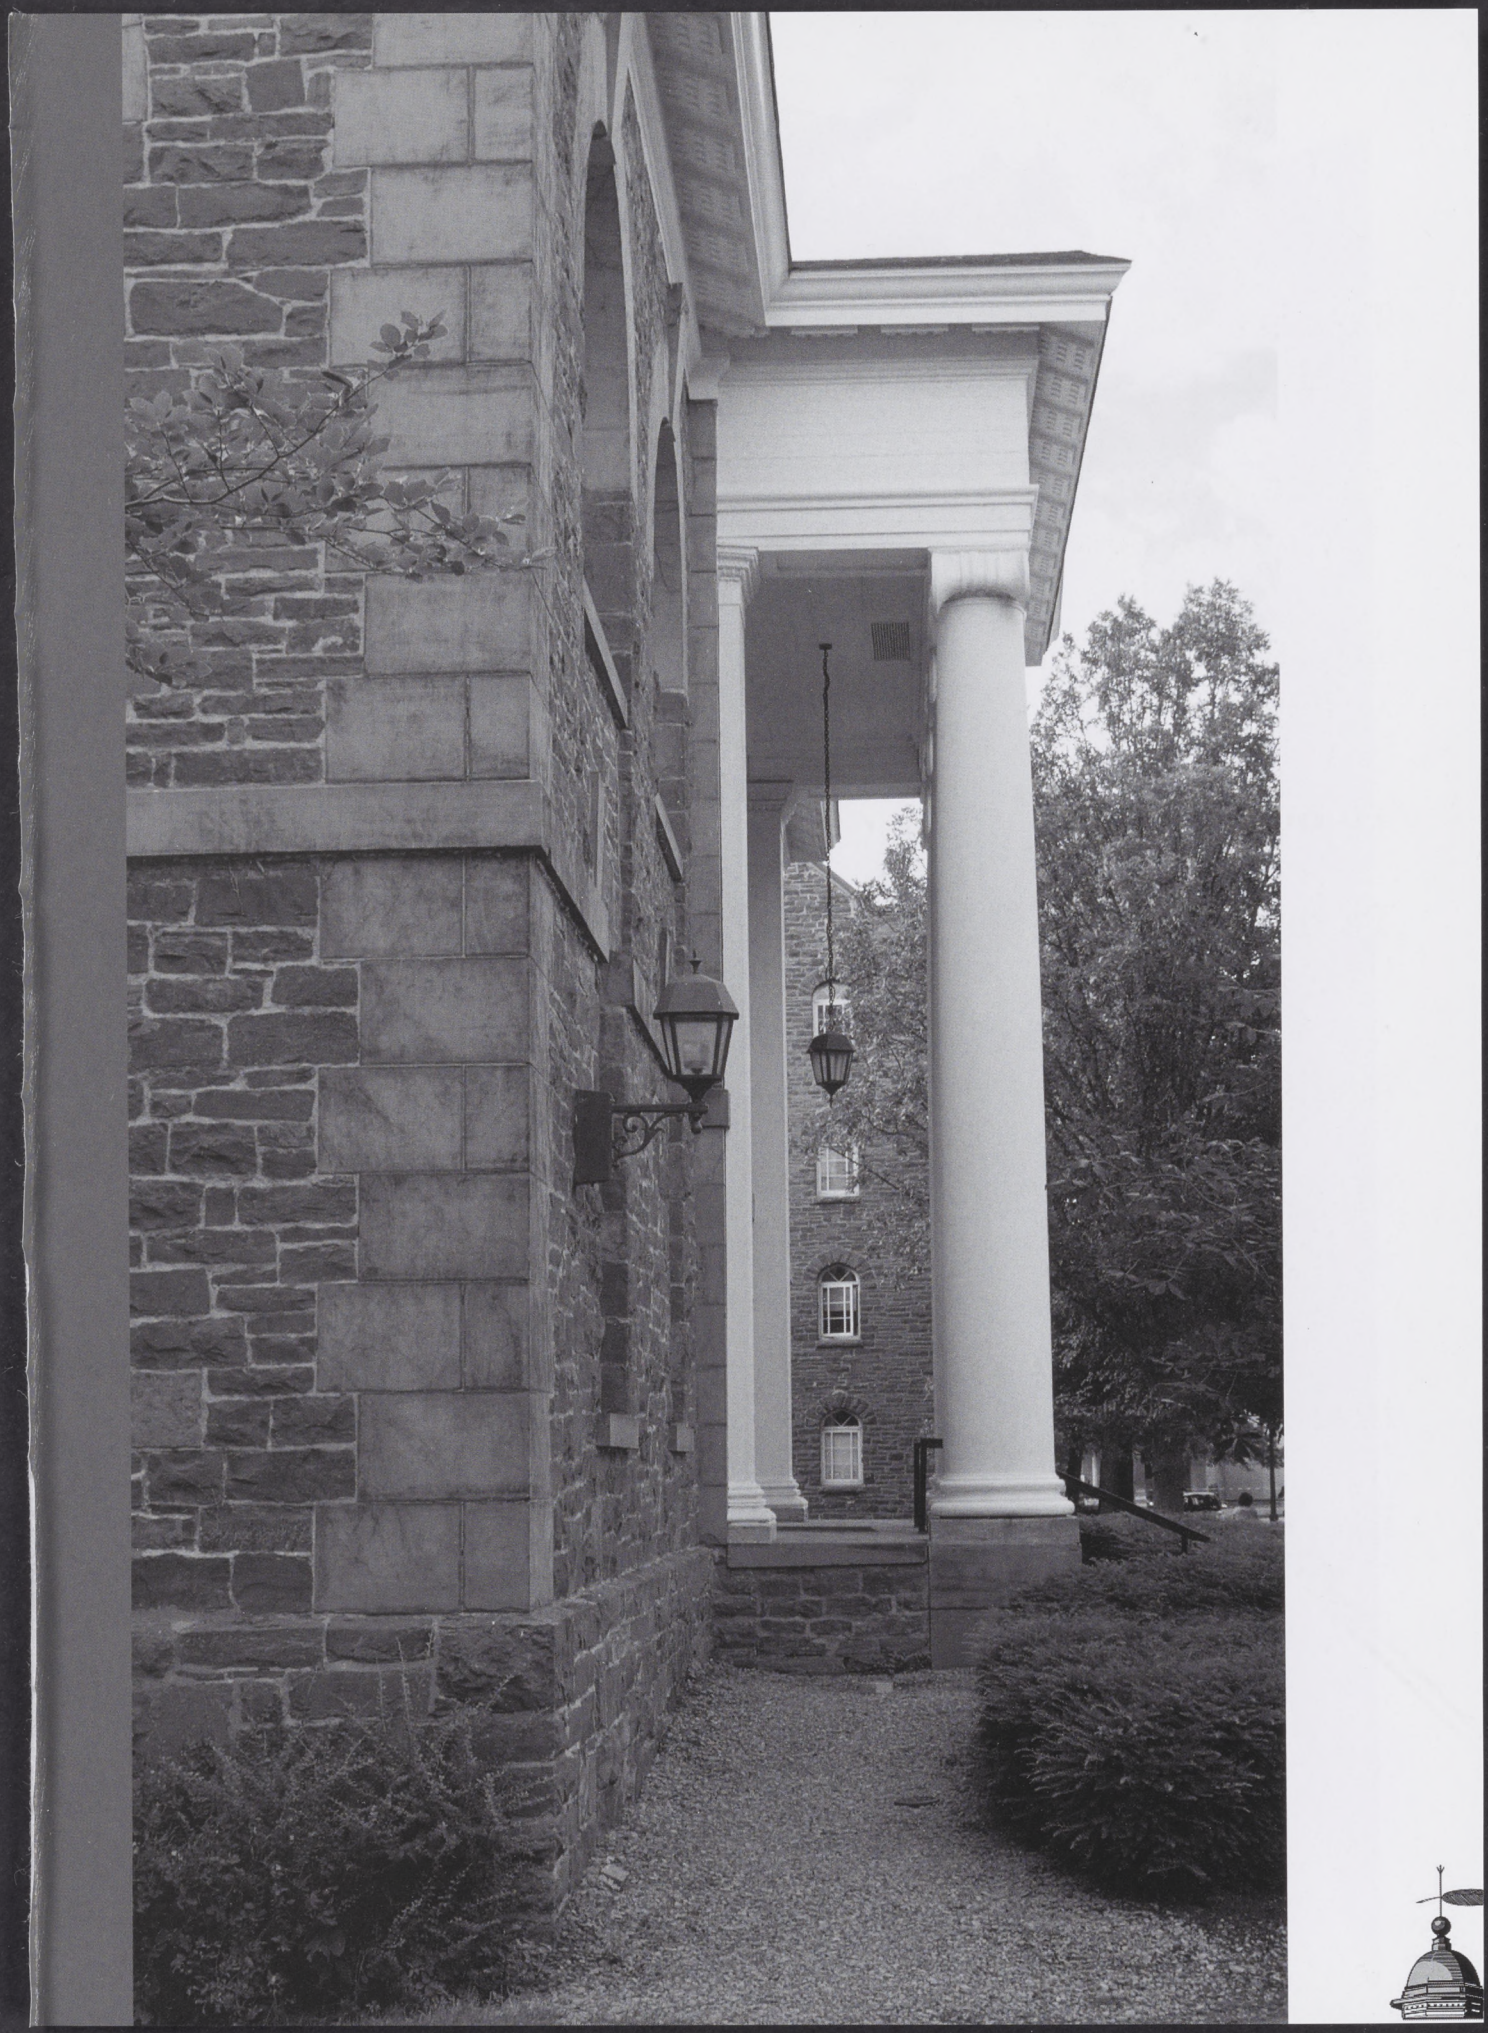
To the administration and staff of Hamilton College.

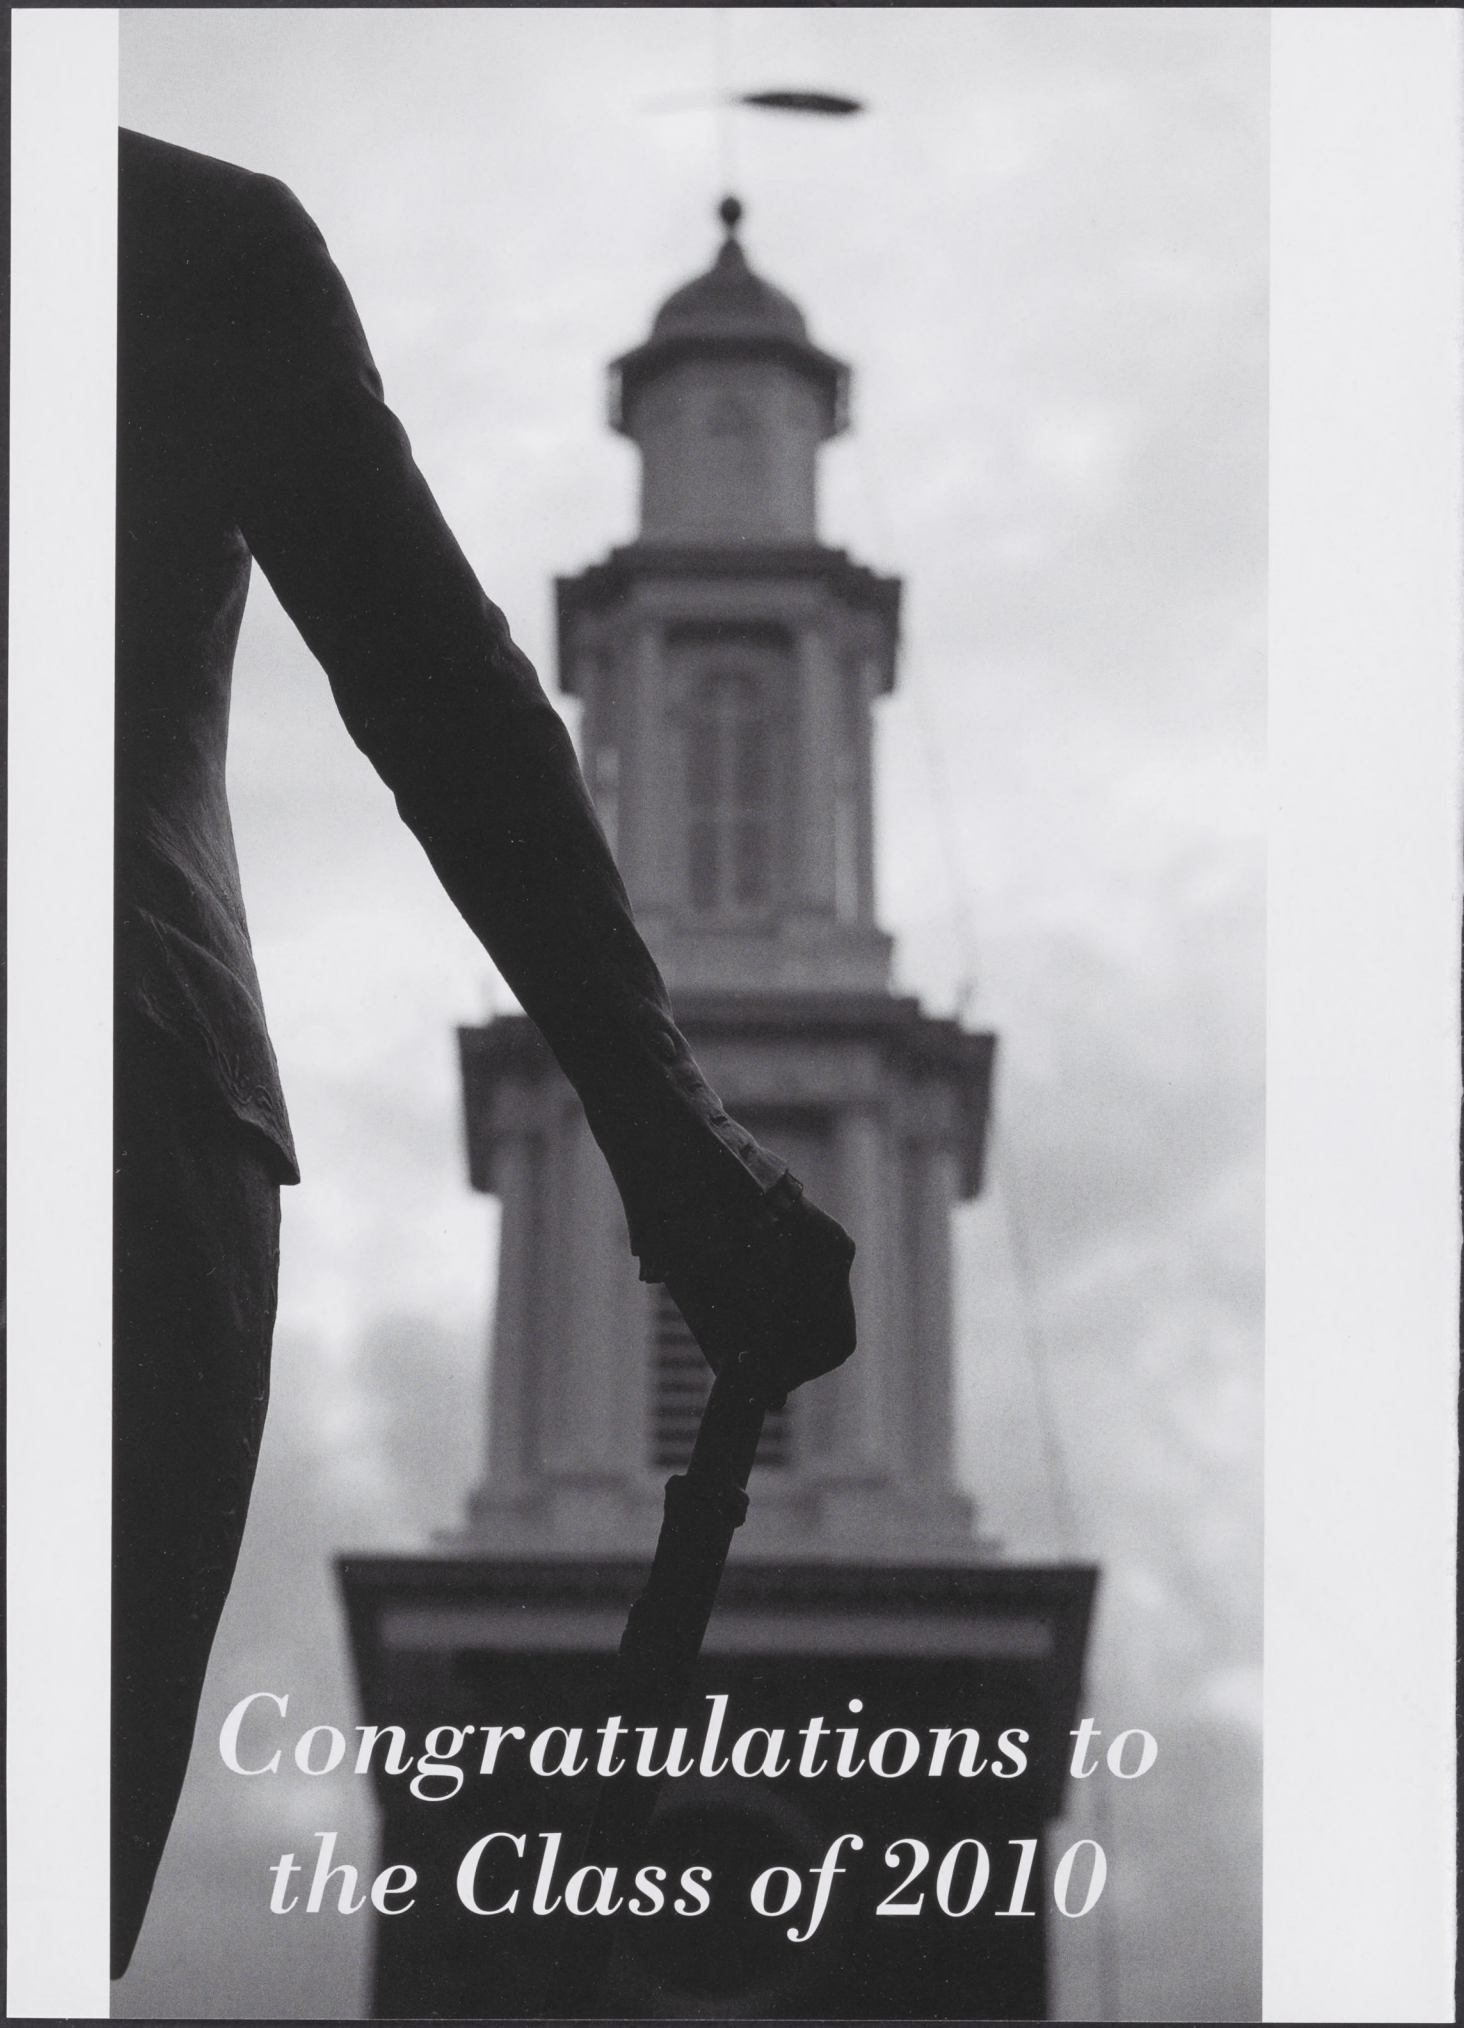
And to the Class of 2010.

Many thanks to all of you, and best of luck in the future.

Best,

Kerry Coughlin '11 and Luke Maher '11,
Co-Editors-in-Chief





Congratulations to
the Class of 2010

Hamilton College
